

REVISED

STATEMENT OF PURPOSE

RS28240C1 / S1055

The revisions to Idaho Code 55-2604 are made to clarify the legislative intent of the statute and to remove ambiguities created by the use of the words area, expanding, and increasing. The words area, expanding, and increasing suggest a limitation on the use of a gun club's property where no such limitations were intended in the statute.

FISCAL NOTE

The revision proposed in this legislation represents no fiscal impact on the Idaho State General Fund because no dollars are used for clearly defining the use of property.
